Refreshment for weary

Jesus said: *“If anyone thirsts, let them come to me and drink. Who ever believes in me, as the Scripture says ‘out of their heart will flow rivers of living water.’”*

Water is a very precious resource but that is not immediately apparent to those of us who live in temperate latitudes but for others it is a lifesaver. On the hills I have run out of water on hot days so coming to a mountain stream was a wonderful experience of refreshment and energising for the next stage of the journey. The Lord Jesus Christ made this offer to his disciples who would soon feel scared and defeated when He was arrested and crucified. After his resurrection He talked with his disciples and told them to expect the gift he had promised. On the tenth day after Jesus ascended to heaven the Holy Spirit came upon the whole company of His followers; they were filled with joy and hope and the courage to speak openly about the way of salvation through faith in Jesus Christ.

This promise is still on offer today. If you would like to know more just give me a call on the number overleaf.

We meet on Sundays at 10:30 am.
